**MICROBLADING DEPOSITS:**

A NON-REFUNDABLE \$100 deposit is due immediately upon booking to secure all Microblading appointments. This deposit is to ensure that you are serious about booking your Microblading appointment and it will be deducted from the total cost of your initial session. The remaining balance will be charged at the completion of your initial appointment.

**CANCELLATIONS:**

Please allow a minimum of 48 hours or more notice when rescheduling your appointment. Microblading deposits/payments are non-refundable. **If you arrive more than 15 min late for your scheduled appointment time or if you reschedule with less than 48 hours' notice, your payment/deposit will be forfeited.** If you choose to cancel your appointment, you will automatically forfeit your Microblading deposit. An additional deposit will be required to reschedule your appointment if you give less than 48 hours' notice.

**NO GUESTS PLEASE:**

Due to the nature of this detailed service, I kindly request that you arrive unaccompanied to your appointment. I very strictly do not allow friends, boyfriends, hubby's children, and/or pets to accompany. There are many coffee shops, restaurants and bars in the neighbourhood, if your guest(s) would like to wait close by for you to complete your appointment.

**MICROBLADING TOUCH-UPS:**

Your first Touch-Up Session is complimentary and included. This can be scheduled no sooner than 4 weeks and no later than 8 weeks following your first session. Touch-Up sessions are typically booked at the time of your first visit. This Touch-Up session is crucial for best results. Additional Touch-Up appointments may be required for oily, problematic skin, those with dark pigmented skin and people who do not follow after care instructions properly. **Please note: there is a \$100 re-scheduling charge for missed complementary Touch-Ups - or if less than 48 hours notice is given.**

**EXISTING BROW TATTOOS:**

I am extremely selective when working over existing tattoos and other tattoo artists' work. If you have had your eyebrows previously tattooed, I request that you email me clear photos of your brows for approval BEFORE booking your appointment. In addition to the photos in your email, please include the date of your last brow tattoo, how many sessions you received, and the business name and artist's name who performed your service.

**IMPORTANT FOR ALL MICROBLADING CLIENTS:**

Microblading is a multiple-step appointment process. Healed results will vary with each individual client. NO guarantees will be made. Additional sessions (at an additional charge) may be required to obtain optimal desired results. Although I give my best efforts to provide you with quality service, many factors can result in a less than desired outcome as each client will heal differently. In order for your new brows to heal properly (and look their very best) following all Pre and Post Care Instructions are crucial! They are designed to limit bleeding and skin sensitivities during the service and provide you with instructions on how to care for your eyebrows afterwards.
